

DAA Manual for Accreditation of Dietetic Education Programs

Reviewed 2007

This edition of the DAA Manual for Accreditation of Dietetic Education Programs is current until May 2009.

Please note that **Section 3.1 DAA policy on accreditation and re-accreditation** was revised May 2008 and has been updated in this edition.

Whilst the Entry-Level Competencies outlined in this edition are current universities developing new programs are advised to consult the Registrar, Dr Catherine Itsiopoulos on 02 6163 5200 or at citsiopoulos@daa.asn.au as the competencies are currently under revision.
